Construction of \$1.4B 35Express Project to start

The Texas Department of Transportation and AGL Constructors will hold a groundbreaking ceremony Thursday to celebrate the start of construction on the 35Express Project between U.S. Highway 380 in Denton County and Interstate 635 in Dallas County.

The \$1.4 billion project covers eight cities in two counties. It includes additional general purpose lanes, two reversible managed toll lanes, reconditioning or reconstruction of several bridge overpasses and the construction of a new southbound bridge across Lewisville Lake. Construction is expected to be completed by early 2017.

The event is at 10 a.m. at Copperas Branch Park, 100 Copperas Branch Drive.
