Texas Secretary of State Nandita Berry announced that a proposed amendment to the Texas Constitution related to transportation will appear on the Nov. 4 ballot as Proposition 1.

The announcement follows Governor Rick Perry's proclamation that the constitutional amendment will appear on the Nov. 4 ballot, as specified by the Legislature.

Proposition 1, as it is worded on the ballot, provides for the use and dedication of certain money transferred to the state highway fund to assist in the completion of transportation construction, maintenance, and rehabilitation projects, not to include toll roads. The enabling legislation for the constitutional amendment (SJR 1) was approved during the 83rd Legislature, third called session.

"I want to ensure that Texas voters are prepared and aware of what will be on the ballot this November," Secretary Berry said.

The last day to register to vote for the Nov. 4 statewide election is Oct. 6. Early voting begins on Monday, Oct. 20, and runs through Friday, Oct. 31.

To cast a ballot in person, registered voters need to present one of the following approved forms of photo ID: Texas Driver License – issued by the Department of Public Safety; Texas Personal Identification Card – or Texas Concealed Handgun License – issued by DPS; U.S. military identification card containing the person's photograph; U.S. citizenship certificate with the person's photo; U.S. passport – issued by the U.S. government; EIC – issued free by DPS.
